| A "branded title" is an official designation assigned by a state agency to associate a particular history with a vehicle. The branding system was put in place to warn potential owners about damage or other alterations to a vehicle that they might otherwise have been unaware of. The brands checked in this section are Fire, Hail, Flood, Junk/Scrapped, Lemon, Salvage, Rebuilt/Rebuildable, Odometer Brands (not actual miles, broken odometer, exceeding mechanical limits, mileage discrepancy, or suspect miles). Please note Grey Market and Insurance Loss or Theft brands are not checked in this box and can be found on other corresponding boxes. |                 |                |                                                                                           |                         |

| This section summarizes vehicle history events that may indicate an accident or damage and associated details such as point of impact, severity or airbag deployed if provided. These damage events will include collision damage information, police-reported accidents, salvage auction, recycler records, crash test vehicles, collision damage claims etc. including our exclusive auction announcements from two major auctions that may include damage events. There is also a clearly delineated section that includes non-collision damage events such as fire, hail or flood. Damage-indicated title brands will be in the state title brands section.     |                 |                |                                                                                           |                         |
| Insurance Loss/Title Transfer                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                 |                |                                                                                           |                         |

| This section verifies if there are rollbacks, rollover or tampering has been reported to AutoCheck from state Division of Motor Vehicles (DMV) or auction sources. AutoCheck also examined the sequence of reported odometer readings to determine if there are any potential discrepancies.                                                                                                                                                                                                                                                                                                                                                                        |                 |                |                                                                                           |                         |
| Personal Use                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                 |                |                                                                                           |                         |
| Owner Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                 |                |                                                                                           |                         |
| This vehicle was driven for personal use.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                 |                |                                                                                           |                         |
| Accident                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                 |                |                                                                                           |                         |

events will vary. In all events AutoCheck recommends that prospective vehicle purchasers conduct a detailed vehicle inspection prior to purchase of a pre-owned vehicle.

Excluded / Exempt

Odometer Check

Vehicle is generally exempt from normal/mandatory odometer law for the following reasons:

1. Vehicle model year is 10 years or older
2. Gross weight of vehicle over 16000 lbs
3. Vehicle is not self-propelled
4. Titled to the manufacturer

**Term** - State Title Brand

**Section Location** - Vehicle History at a Glance

**Definition** - A "branded title" is an official designation assigned by a state agency to associate a particular history with a vehicle. The branding system was put in place to warn potential owners about damage or other alterations to a vehicle that they might otherwise have been unaware of. The brands checked in this section are Fire, Hail, Flood, Junk/Scrapped, Lemon, Salvage, Rebuilt/Rebuildable, Odometer Brands (not actual miles, broken odometer, exceeding mechanical limits, mileage discrepancy, or suspect miles). Please note Grey Market and Insurance Loss or Theft brands are not checked in this box and can be found on other corresponding boxes.

**Term** - Auction Issue

**Section Location** - Vehicle History at a Glance

**Definition** - This section summarizes any issues if reported such as damage condition from seller's disclosure or during the inspection process including required structural damage disclosure, title brands, odometer issues, etc. as outlined by the [National Auction Automotive Association Arbitration Policy 2025](#).

**Term** - Accident/Damage Check

**Section Location** - Vehicle History at a Glance

**Definition** - This section summarizes vehicle history events that may indicate an accident or damage and associated details such as point of impact, severity or airbag deployed if provided. These damage events will include collision damage information, police-reported accidents, salvage auction, recycler records, crash test vehicles, collision damage claims etc. including our exclusive auction announcements from two major auctions that may include damage events. There is also a clearly delineated section that includes non-collision damage events such as fire, hail or flood. Damage-indicated title brands will be in the state title brands section.

**Term** - Insurance Loss/Title Transfer

**Section Location** - Vehicle History at a Glance

**Definition** - This box checked to see if there is an insurance total loss or if a title has been transferred to an insurance company name as that event usually signifies that it is a total loss when showing after an accident.

**Term** - Additional History

**Section Location** - Vehicle History at a Glance

**Term - Odometer Check**

**Section Location - Vehicle History at a Glance**

**Definition -** This section verifies if there are rollbacks, rollover or tampering has been reported to AutoCheck from state Division of Motor Vehicles (DMV) or auction sources. AutoCheck also examined the sequence of reported odometer readings to determine if there are any potential discrepancies.

**Term - Personal Use**

**Section Location - Owner Type**

**Definition -** This vehicle was driven for personal use.

**Term - Accident**

**Section Location - Accident / Damage**

**Definition -** A state or municipality has reported an accident or collision for this vehicle that may or may not have sustained damage. Not all damage events are reported to AutoCheck and the damage severity of reported events will vary. In all events AutoCheck recommends that prospective vehicle purchasers conduct a detailed vehicle inspection prior to purchase of a pre-owned vehicle.

**Term - Excluded / Exempt**

**Section Location - Odometer Check**

**Definition -** Vehicle is generally exempt from normal/mandatory odometer law for the following reasons:

1. Vehicle model year is 10 years or older
2. Gross weight of vehicle over 16000 lbs
3. Vehicle is not self-propelled
4. Titled to the manufacturer
