- State Title Brand
- Vehicle History at a Glance

A "branded title" is an official designation assigned by a state agency to associate a particular history with a vehicle. The branding system was put in place to warn potential owners about damage or other alterations.

By accessing our site, you acknowledge that we and our partners use cookies and similar technologies as described in our [Privacy Policy](#), and you agree to our [Terms of Use](#).

Market and Insurance Loss or Theft brands are not checked in this box and can be found on other corresponding boxes.

Auction Issue

Vehicle History at a Glance

This section summarizes any issues if reported such as damage condition from seller's disclosure or during the inspection process including required structural damage disclosure, title brands, odometer issues, etc. as outlined by the [National Auction Automotive Association Arbitration Policy 2025](#).

Accident/Damage Check

Vehicle History at a Glance

This section summarizes vehicle history events that may indicate an accident or damage and associated details such as point of impact, severity or airbag deployed if provided. These damage events will include collision damage information, police-reported accidents, salvage auction, recycler records, crash test vehicles, collision damage claims etc. including our exclusive auction announcements from two major auctions that may include damage events. There is also a clearly delineated section that includes non-collision damage events such as fire, hail or flood. Damage-indicated title brands will be in the state title brands section.

Insurance Loss/Title Transfer

Vehicle History at a Glance

This box checked to see if there is an insurance total loss or if a title has been transferred to an insurance company name as that event usually signifies that it is a total loss when showing after an accident.

Additional History

Vehicle History at a Glance

This section lists any other significant events that may not be a damage event or brand, but does give additional insights of the vehicle's history. These include abandoned, grey market, lien check, repossessed, theft etc.

Odometer Check

Vehicle History at a Glance

This section verifies if there are rollbacks, rollover or tampering has been reported to AutoCheck from state Division of Motor Vehicles (DMV) or auction sources. AutoCheck also examined the sequence of reported odometer readings to determine if there are any potential discrepancies.

Loan/Lien

Additional History

A loan/lien is the legal right to take and hold or sell the vehicle of a debtor as security or payment for a debt. Normally, a vehicle will have a lien due to a loan or unpaid repair bill against the vehicle. Check with the seller to ensure that the lien has been satisfied.
